“ Hi baby, I miss you so very much and not a day passes that I don't think of you. I miss your smile and amazing laugh and how you made every day with you more amazing then the last. We had so much planned for the future that will never happen and it breaks my heart. You are the love of my life and I will never forget the wonderful times we got to share. I know you are in heaven with all your loved ones but I wasn't ready for you to leave me. I'm grateful that you are no longer in pain but how I wish I could hold you one more time and give you one last kiss. You are forever in my heart my thoughts and prayers.

Your forever love Brandy ❤️

“ Jarrett you will truly be missed. I close my eyes and can see you riding your bike down the hill in West Manor as fast as you could go, and laughing because we were all yelling slow down. So glad you are at peace. Love you

“ *I hate that it had to be this way. Even though I didn't see you for a long time I always had you in my heart. I'm sad that you had to leave this world so early. I will keep the happy memories I have watching you play basketball, your smile and your laugh. I'm glad you can finally be at peace. Say hi to my dad and uncle and papa and grandma. We love you Jarrett*

“ God bless you and keep you in his loving arms.

I know you are with Papi . You are my baby brother and I love you so much.

I will miss you and all the memories that we shared that are ours and ours alone.

These things I hold close to my heart and in my soul.

You loved Cade and Keira so very much and they were both the apple of your eye.

Your sense of humor and your giving and kind soul as well as your huge and generous heart are a blessing to ALL that you touched.

You will be missed so much. I cannot express the deep sorrow and sense of loss I have at not having you here but, I can only hold the beautiful memories forever in my heart and soul.

I love you to the moon and back Care Bear

“ i would like to send condolences to the family of Jarrett, especially his Mom. I didn't know Jarrett, but he was in my son, Jeff King's class in high school. I lost my son Jeff 5 years ago. I'm so sorry for your loss, it's a very hard journey losing a child. My payers are with you at this time.

“ Lots of good memories of Jarrett's, Keira and Cades birthday partys, watching football on tv at Karens and Johns, Cades baseball games, Keiras dance recitals, he was sooo proud of the kids and loved them more than life itself. “ My heart weighs heavy knowing that you've been taken from all of us so soon. However, knowing that you're free from anymore pain, provides me with great resolve. May your children, mother, sister and girlfriend all find peace during this transitional time. Rest easy, my friend.

“ *RIP Jarrett, will always remember the great times we shared together. While you await others to join you, please enjoy Paradise City !*

*Take me down to the paradise city
Where the grass is green and the girls are pretty
Take me home (oh won't you please take me home)
Take me down to the paradise city
Where the grass is green and the girls are pretty
Take me home (oh won't you please take me home)*

*Just a urchin livin' under the street
I'm a hard case that's tough to beat
I'm your charity case so buy me something to eat
I'll pay you at another time
Take it to the end of the line*

*Rags to riches or so they say
Ya gotta keep pushin' for the fortune and fame
You know it's all a gamble when it's just a game
Ya treat it like a capital crime
Everybody's doin' the time*

*Take me down to the paradise city
Where the grass is green and the girls are pretty
Oh won't you please take me home
Take me down to the paradise city
Where the grass is green and the girls are pretty
Take me home, yeah yeah*

*Strapped in the chair of the city's gas chamber
Why I'm here I can't quite remember*

*The surgeon general says it's hazardous to breathe
I'd have another cigarette but I can't see
Tell me who you're gonna believe*

*Take me down to the paradise city
Where the grass is green and the girls are pretty
Take me home, yeah yeah
Take me down to the paradise city
Where the grass is green and the girls are pretty
Oh won't you please take me home*

*So far away
So far away
So far away
So far away*

*Captain America's been torn apart
Now he's a court jester with a broken heart
He said "turn me around and take me back to the start"
I must be losing my mind "are you blind?"
I've seen it all a million times*

*Take me down to the paradise city
Where the grass is green and the girls are pretty
Take me home, yeah yeah
Take me down to the paradise city
Where the grass is green and the girls are pretty
Oh won't you please take me home
Take me down to the paradise city
Where the grass is green and the girls are pretty
Take me home, yeah yeah
Take me down to the paradise city
Where the grass is green and the girls are pretty*

Oh won't you please take me home

I wanna go, I wanna go

Oh won't you please take me home

I wanna see how good it can be

Oh won't you please take me home

Take me down to the paradise city

Where the grass is green and the girls are pretty

Take me home

Take me down to the paradise city

Where the grass is green and the girls are pretty

Oh won't you please take me home

Take me down, lead me 'round

Oh won't you please take me home

I wanna see, what a woman can be

I want to take you home

Take me down to the paradise city

Where the grass is green and the girls are pretty

Oh won't you please take me home

I wanna go, I wanna know

Oh won't you please take me home
