In Loving Memory of Jeffrey Paul Judkins

Jeffrey Paul Judkins, born on May 13, 1948, in Inglewood, California, peacefully departed this world on February 8, 2024. He was the beloved son of Melvin and Lillian Judkins, and a cherished brother to Michael, Tom, Steve, Sue, and Nancy Judkins. Jeffrey was a devoted husband to Karen Judkins and a loving father to Avery Judkins and Mykel Rodriguez.

During his time in the Navy, Jeffrey served as a dedicated veteran during the Vietnam War. Beyond his military service, he found joy in breeding Black Labradors and had a deep passion for hiking and Nature Conservancy. He had been visiting the old growth redwoods in Northern California since the late 1970's, and he passed down his enthusiasm for the redwoods to all of his family. His love for nature was cultivated during his upbringing in the Mojave desert, before making his home in Concord, California.

For over 30 years, Jeffrey dedicated himself to his work at the Chevron Refinery in Richmond, California, showcasing commitment and perseverance. Cordelia, California, became the backdrop for the majority of his life, where he lived peacefully surrounded by the ones he held dear.

Jeffrey's legacy extends to his children, Avery and Mykel, and their respective families. He leaves behind his son-in-law, Alex Rodriguez, daughter-in-law, Melissa Judkins, and grandchildren Myah Rodriguez, London Michel, Tyler Rodriguez, and Mia Michel. In the memories we hold, Jeffrey will forever be remembered for his service, his love of nature, and the warmth he shared with

family and friends. May he rest in eternal peace.
