

Jenna Marie Schwartzman Holme

August 6, 1984 - December 19, 2018

Jenna succumbed to a long illness on Wednesday December 19, 2018. Jenna was born in Walnut Creek and moved from San Ramon to Benicia when she was three years old. Jenna grew up in Benicia and graduated Benicia High School in 2002. She attended Chico State before moving back to Benicia. She was very loving, generous, funny and she lit up any room that she entered. Jenna was magical with children and they adored her. Her greatest desire was to be a mom. Jenna is survived by her daughter Coral Marie, her husband John Holme, her step-son Skye Holme, her parents Alan and Jacquie Schwartzman, her brother Justin Schwartzman, sister Marisa Schwartzman, nieces Cirelle and Kyra Summerton (Schwartzman), Mirabelle Nolan (Schwartzman), and nephews Rhythm Schwartzman, and Maverick Nolan (Schwartzman).

Graveside service will be 11:00 a.m., Saturday January 5th 2019 at the Benicia City Cemetery followed immediately by a reception at the Benicia Veterans Hall. In lieu of flowers the family asks a donation in Jenna's name be made of children's soft foam climbing equipment to the "Wiggle Room" at the Benicia city gym.

“ This is Debbie Hurwitz (Benkovitz Williams) and I only recently heard of Jenna's death. Jacquie and Alan, I cannot find out how to reach you personally, and I would love to be in touch. Jenna was such a sweet child (which is how I remember her). Once when Randy and I were babysitting I recall that Jenna wanted to sleep with us in the middle of the night and we woke up to her adorable little face smiling up at us. If you are willing to be in touch, please call or email: 412-370-9323. Deborah.benkovitz@gmail.com Love you all, Deb (Ben and Dan)

“ I was so sad to hear about Jenna's passing...! She was such an endearing young girl (as I remember her at Mary Farmer, in Alex's grade.) My heart and love and prayers go out to all of your family.

“*Jacquie and Alan, I am stunned and saddened at the news of your loss of Jenna. Jacquie, the first time I ever heard you speak, in 1997, was at a talk for parents of teens and how to stay connected with one another, and you told of your 14-year-old daughter - who I now know was Jenna - and how she was motivated to be more congenial to her parents so that she could use the telephone. I remember you saying to us parents, "The phone is your friend!" I have thought so many times of that good counsel to stay connected, and of the tender care and love you exemplified toward your children. I ache at the loss of your darling girl. Katie Holley*

I am so saddened by Jenna's death. My heart goes out to her parents and family. My daughter and Jenna were best friends in elementary school. She so looked forward to the birth of Katie's younger brother. He was a preemie and could not have any visitors for a few months. Of all the people this affected Jenna was the most upset. She loved babies from a very young age. We will be making a donation to the Wiggle Room.

Jacquie and Alan, my heart is heavy knowing that you buried your precious daughter today - something no parent should have to do. Jenna was in our son Luke's circle of friends in high school. I always enjoyed seeing her. Luke liked spending time at your house. I pray that your good memories will help to ease the pain and keep Jenna alive in your hearts. Jenna will live on in her daughter - cherish Coral Marie. You and your family will be in my prayers - Debbie Fretwell
