“ *I remember all those little league baseball games you were at with both Mark and myself. I don't think you ever missed a game mom. I am very grateful to have a mom like you. I miss you very much. Dad and I come visit your grave every once in awhile. Dad more often than I. You tell God he has one fantastic angel now. And ask him to please help me with all that I have going on.*

I love you Mom Love your youngest son Steve

“ Hey Mom I remember all those nights that you would stay up worrying about me. I remember when I would come in the house and ease your mind because you knew that I was safe. I will always remember our long conversations and you were so understanding and you always listened to me, no matter what I would talk about. I miss you mom.
