

John J. Little

October 26, 1950 - March 26, 2025

Pre-deceased by Parents Bob and Mary Ann and brothers Walter and Billy. He is survived by his sister Patty, brother-in-law Rodney and their two Girls Michelle and Danielle; Linda and her children Sean and Michelle; brothers James and Bobby and sister-in-law Joy and their twins Marisa and Robert as well as his niece Crystal and nephew Robby; his stepson Jon and son Carol. Johnny was the eldest of seven and attended school at St. Brigid's, Sacred Heart and USF. His love for cars became his livelihood for decades working at Lombard Auto from 8-5, and as soon as he was off, he'd race home with parts to do side jobs in our garage on Greenwich St. most nights until well after midnight. As a young man Johnny owned some beautiful cars including a 1963 split window Corvette and his coveted 1966 AC Cobra as well as several pretty trucks. He later started his own successful painting company. Johnny loved long road trips and spending time in his country properties in Clearlake and Trinity Counties where he became a mentor and friend to many. A special non-conformist colorful charismatic San Franciscan character with an infectious personality who will be missed by all who had the pleasure of meeting him. May God rest his soul.

Memorial Mass will be June 19 at 10:30 a.m. at St. Peter and Paul Catholic Church in San Francisco.
