“ J. R. - I only found out two days ago that you passed away in 2016. I can't believe it. Even though we lost touch, I continued to follow you on Facebook for many years. You looked so happy. And your son--- he looks JUST like you. I am so glad you found happiness in your last years. I love you, J.R. You will always be one of my best friends from adolescence. I'll never forget those times I snuck out of my house in the middle of the night to come hang out with you.

To J.R.'s family: If anyone is reading this, I believe I still have a few photos of him from 6th grade I can share. My phone number is (925) 219-6971. I would love to hear from one of you, if that would be okay.
