“ *My Dear Brother-in-law Allan, you will be greatly missed. You were truly a brother to me. We have shared a lot through the years, you stood up for LeRoy and Me when we got married, and we stood up for you and Nina. We had so much fun at our cabins together in the mountains. You were a great uncle to all my kids. Say Hi to LeRoy for me and I will see you on the other side. Love and Miss you very much. Muggins*

“ My love for Allan goes so far back. Where a little girls memories just begin. He was my hero & I adored him. He was stuck babysitting me so many times but always made me feel welcome & loved. He was forever teasing me & making me laugh. I will miss his stories like when he pretended to be falling off the couch and asked me to help him and I would jump up and push him back as hard as I could to save him! I will miss you so much. God speed. I love you now & always. I'll see you on the other side” Doreen

“ Godfather/Uncle Allan we will miss your stories of time past, trips to the cabin, your guidance in life. I will remember all those swim practices and swim meets coaching us to do our very best. Also the memories shared with you at all our Thanksgiving, Christmas, Family Birthday’s, Fourth of July and everything on “East”O” Street will be treasured memories. You will always be remembered for being silly and trying to scare us kids with your “werewolf” transformation on a full moon. All my love to everyone in the family. Love, Tracey Van De Veire and Tom Pearson.

My dear Brother-in-law, I will miss you so much, now and forever. We all had so many memories together with our families. Our kids growing up next door to each other brought us so much joy and sometimes pain. All the fun up at our cabins together will always be in our memories. You stood up for LeRoy and me when we got married, and we stood up for you and Nina . Tell LeRoy hi for me and I'll see you both on the other side. Love you!! Muggins
