“ *I am so sorry to find out of Judy's passing. I remember her bright and happy laugh and how nice she was to me many years ago. I dated her brother, Alex, and I got to know her and her family. My condolences to her husband and children and family.*

“ *What a beautiful lady. Despite her issues, she was always so upbeat and had a happy disposition. We, personally will share some great memories especially from the cruise we took together to Alaska. Some crazy stuff happened on that adventure that will never be forgotten.*

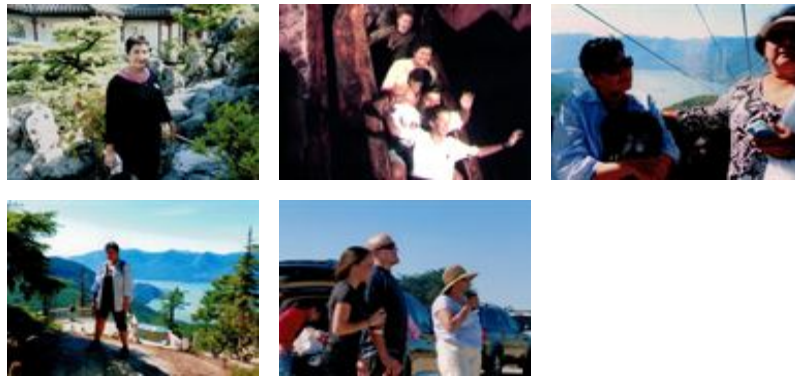

We will truly miss you Judy,

My condolences to the Puig family, To Alex, an old classmate, so sorry to hear of the loss of your sister Judy. I can recall back in H.S. how friendly and happy she was. She had a infectious smile that she carried everywhere she went.
