

## Julianne Mann

December 4, 1936 - January 18, 2018

On January 18th, Julianne Mann passed away peacefully after a courageous battle with cancer. She was a woman full of talent and love. Family meant everything to her. She was so proud of her children and loved raising them with her husband, Richard. Julie's bond with her sisters was everlasting and her grandchildren, nieces and nephews were her pride and joy. She and Richie's sweet 62 year-long love story began when Julie was just 18 years old. They grew up together and they grew old together. Julie was an amazing knitter, baker (and eater) of all things chocolate and loved to explore new towns, restaurants and places by the water, especially Cambria, CA. A lover of big cities, she always held a special place in her heart for Chicago. Our loss is great for a woman who spread love with her generosity, amazing baked goods and wonderful energy. She is survived by her loving husband Richard Mann, her daughter Lisa Fischer and husband Chris, her son Scott Mann and wife Linda.

*You came into my life too late for me to get to know your mother personally. I knew her through your eyes and your love for her; and your daughters' adoration. What a beautiful woman! I'm so sorry for your loss, and hope that you have a richness of memories from which to draw strength. XOXOXOX*

*“ I met Julie at the Benicia Knitting Circle, an obvious choice for her because she was an expert knitter and new to Benicia. When we closed the shop it was Julie and Richard who helped me disassemble the shelves and move the stash. Over the years she attended a knitting group at my home every Tuesday from two to four. She was very generous with the yarns she knew she would never loop together. Woven into her sweaters were stories of her children and grandchildren. Her family was the reason she left Los Angeles. Julie knew her days were short saying, "I came to Benicia to die." Sadly she was correct. I miss her greatly.*

*Ellen, I remember when she and my dad helped you to move and disassemble your shop. She loved her knitting group and I was fortunate enough this past summer to meet many of the women that she knit with. We miss her terribly and we were so glad that they came to be closer to us. We are very sad and miss her terribly.*

“ I first met Julie at knitting circle when she had just relocated to Benicia. She certainly had the knack for making friends. At her suggestion we went to a knit shop in Petaluma one day and had lunch at a tea room. She always greeted me warmly as if we had known each other for years. Julie’s knitting was exquisite as she always used the best yarns and elegant patterns to employ her formidable skills. She spoke often of her family and friends and you could tell there was a lot of love there. I admired her, always enjoyed her company, and will miss her. Please accept my deepest condolences.

“ Lisa,

*It's been a number of years since your mom moved to Northern Cali., and it was wonderful that face book bridged those miles between us. I looked forward to Julie responses to my many face book rants. Some I thought I might be a little too spicy for her taste...but she never missed a beat, often times picking up and carrying on where I left off.. I always knew what a kinda, warm and loving soul she was, face book introduced to the gutsy Julie, i loved and will miss them all...*

“ I loved your mom Lisa! I have so many good memories of Julie when we were young! Julie was kind, funny and a very loving mother to Lisa and Scott! Remember when Scott had long hair and he wore Levi cut off shorts? I thought I would remind everyone of that! I remember how much she loved her poodle Bebett! I was so impressed as a young girl that your mom ate so healthy! Her bran buds cereal with mocha mix and sprinkling sunflower seeds and bran flakes on everything! Julie's aerobics class, that she never missed, while Lisa and I stayed home and made pancakes with brown sugar and butter!

Your loving parents drove five hours to my wedding at Paradise Lodge! I remember your mom was crying and laughing at the same time! Which reminded me of you Lisa! Your mom probably new I was marrying the wrong person! Your mom was so sweet to me! I still have the baby blanket your mom made for Kailey! It's beautiful and I am saving it for Kailey to use some day! I remember Kailey dancing at your wedding reception when she was two years old! Your mom adored her and was so loving towards her! Please know that I am so very, very sad for you Lisa!

Richard, Scott I am so sorry for your loss of your beautiful wife and mother! I am thinking about you all so much! Love to you and family!  
XOXO
