“ *Until we meet again Julie our lives will never be the same.  
We never had to worry about our son or grandchildren because you  
took such good care of them.  
So Many treasured memories we'll hold forever in our hearts.  
Our healing will come through the Lord's infinite love.*

*"Julie is an angel up above, an angel of God, and a sparkle she will  
be"*

*Rest In Peace, 💕💕 Annette & Fred*

“ *I met Julie through Carlos and Melissa, my nephew and niece. Julie  
was such a kind and genuine person. She was never trying to  
impress you with material items, instead she impressed me with her  
love for her family. Her family was everything to her and they should  
feel comfort in knowing how happy they made her. Although her  
sudden death is devastating, in time I hope they find solace in the  
memories of their wife and mother. May she Rest In Peace and to  
Chris, Taylor, Cole and Jake my deepest sympathy. Auntie Katrina*
