“ *Beautiful Karen..... Every time I saw her I would say to whoever I was with, "she is one of the nicest people I've ever known." And that is true. She had an inner light that she not only possessed, but when you were around her she would pass some of that sunshine on to you. There are just certain people that have that kind of love, kindness, and gratitude for life. Karen was one of them. Our world is now missing one of the women that made it a better place to be. I'm so truly sorry for her family, particularly Barbara who has lost her sweet daughter. There are no consoling words to fill this loss. Just know that we love you and are here for you. Truly..... “ I am deeply saddened at the loss of Karen. Vibrant, loving, and a wonderful sister-in-law to me for twenty years. Time has passed since she and I were in each other's lives but I have nothing but love for this lady. My heart goes out to the Romano family and to my nephew, Davis. Keep dancing in heaven, Karen. Love you forever,

“ To Karen's family and loved ones, heaven gained an angel. She was a shining light to all that knew her. Went to high school with her and loved her infectious laughter and personality. Prayers for all that will miss her presence.

“ To the family of Karen, all of you whom I have had the pleasure of meeting over the years;  
Karen was an amazing person, friend and family member to all the lives she touched. Her big spirit lives on in all of our hearts. Heaven just received an Amazing Angel.
