“ *I have so many wonderful memories of my years as friends with Karen. Trips with the kids at all hours of the night to enjoy Wendy's and Dairy Queen, shopping together, playing soccer, road trips, camping etc. I can go on and on because no matter what and no matter the miles between us we always had a great time and had sooooo many laughs! All Karen ever wanted was to be loved and to give love. Well my friend, I hope you know how much I love you and how much so many others love you. You have left me with many good and happy memories. Thank you for your love and friendship. Until we meet again up there in the campground in the sky. Rest in peace my friend. ?*
