

Kenny W. Bailey

September 25, 1955 - September 13, 2023

Kenny W. Bailey passed away Wednesday, September 13th due to injuries sustained while riding his treasured Harley. He was born in Vallejo, but always considered Benicia his home. Kenny worked a variety of jobs during his life, but primarily laying floor coverings and in local refineries. He moved to Lake Isabella, CA earlier this year to be closer to his daughter and coming grandson.

Kenny had the biggest heart and could make anyone laugh. His love for sweets (pumpkin pie in particular) was unrivaled, and his passion for racing, of any type, was unmatched. He was an avid fisherman and didn't care if it was salt or fresh, river or ocean. His teams were the Giants and the 49ers and loved to cheer them on. He also deeply loved Benicia and the people in it. He would give the shirt off his back to help a friend, a fellow Benician, or anyone really. He was a kind soul.

Kenny is survived by his beloved daughter Amanda Bailey (Geoffrey) Creighton and grandson Jackson James Creighton; brother John (Claire) Bailey and sister Margie (Steve) Chavis. He was preceded in death by his parents Leroy "Red" and Evelyn Bailey.

Visitation will be 2-4 p.m. Friday, September 22nd at Passalacqua Funeral Chapel. Funeral services will be held at 11:00 a.m. Saturday September 23rd

at Passalacqua Funeral Chapel. Burial will be private.

“ Hey Brother, I miss you so much. Amanda, Eddy, Claire, and I had pumpkin pie with whipped cream on your birthday (last Monday). Even sang Happy Birthday. I feel you with me all the time. I was really looking forward to our road trip to Utah, reliving the adventure we had as kids would have been a blast. Your brand new grandson Jackson is in the best of hands.
I love you forever.....

“ Hi, this is Jamie Santa Maria. I can't eat with my first love, okay? I was sixteen, would I met him he was 20. We had a lot of fun together. He was just awesome, dude. I idolized him and I just can't believe hes gone. And I said I'll never see you again. And I have seen him throughout the years. When I go to panisha. I always made her to point to find out where he was. And to see him and he asked me to marry him once and I told him no. And I always wondered what it hadn't been like. You know when I was with him? I really wanted his baby, and I'm just often wonder what that? How it wouldn't, you know? Cover bout, but we went separate ways. And I've never forgot him, ever, and I'm just heartbroken. I am so I'm just really sad. I can't believe that it's hit me this hard. I know, we said a good place. You seen this bull and dad? And hopefully, he'll see my mom and my sister Tina. And hopefully, I'll see you when I pass anyway. I'm sorry this is just spelled jabber. I really just want to say that. I'm glad he had a Harley and I loved harley's. I've been with guys at half. Harley's and rode on them all the time. And I would love to write on his. You probably would scare me though anyways. I heard that you guys had a picture of Kenny. And I am at the funeral clips pictures clips. I really would like to see those. And I'm trying to find it on the pasalaca website, so. You guys take care, John, and maybe I'll see you guys again you still live in Benicia I plan like next year not this new coming year but the next year to move back to Benicia. I have 2 sisters at now live there in. I'll be going, you guys take care. And he has always been to my heart. I always love to okay, you guys
