“ *Kyle and our son, Cody, were both fortunate to spend time at Lori Roszkos day care as children, and it always impressed us how much the energy, excitement and happiness in the room would jump when Kyle entered. He was a ray of energetic sunshine that shined upon our lives, and he will be missed.*

Our thought, sympathy and prayers go out to Kyle's family and friends.

“ *I remember the first time I met Kyle. Our girls were playing in a soccer tournament. It was our first tournament with the Benicia soccer team. All the parents were very kind to us. I remember watching a dad and his son off to the side playing 1 v.1 soccer. I watched intently as the two laughed and played together. It was Kyle and Steve. I could tell that Kyle was a gifted soccer player and Steve was having so much fun playing soccer with his son. My heart goes out to Steve, Cheri and Nicole. Kyle was a great kid. I am deeply saddened by your loss and hope that you find solace in all the good times that you spent with him. My door is always open to all of you. Love to all,*

“ Memories flood my heart of this wonderful little boy, who was part of the Three Musketeers, Preston, Cody, and Kyle. His never ending energy and contagious smile were a huge part of my life back when he was just a boy. My heart goes out to his family, my prayers that they will get through this with their memories from those who adored Kyle. I am filled with sadness at such a loss.

“ Kyle was an easy-going guy with a positive attitude and a ready smile. He worked hard and faced his challenges with grace and commitment, and all the while was a kind and generous man. He was an important friend to my son, helping him through hard times and accepting help, as well. A sincere person, he truly engaged with people and shared what was in his heart, as few do. Kyle Shott was one of the good ones. May he rest in peace.
