“ *Uncle Leo,*

*I know that you are no longer here on earth but you will be deeply missed. I am thankful for all the happy memories that we had like the times you would lift me upside down and tickle me until I couldn't breathe or the times that you would come and visit and share your funny stories with us. I am happy that we were able to talk even after you got sick. I hate that you are gone but I'm glad that you are no longer suffering and that you are in a better place now. Thank you for everything.*

*Love,

*Uncle Tontee, this is your "favorite niece" Ari here :) I have so many wonderful memories of when you came to visit us in Michigan. You always made us laugh and showed us SO much love. I loved seeing you laugh with all of your sisters and reminisce about growing up in Ecorse and I love LOVED how you took care of Granny until you couldn't take care of her anymore. One of my favorite memories of us was when we came down to California for my scholarship banquet and took us to the commissary and to watch the planes take off on the base. You took time out of your week to come and see about us and show us a good time and I'll never forget that! I love you uncle and you will be missed!*

“ *Dear Brother - We grew up side by side on 14th Street with lots of love, laughter and sometimes bickering. As we matured, we began to cherish the fact that we were siblings. You were always a family man who loved his mother. You fought the good fight and now you're safe in the arms of Jesus. You will be sorely missed. Love, Marva*

“ My sincere condolences to the family of Leo Kelly. When you lose someone you love dearly, there is a void in your heart. Just know that you will find your comfort in understanding that Leo is now being cradled in the arms of our heavenly father. You will also find comfort within your heart in knowing that love has no limits and bounds, just as Leo will live forever in the hearts of his family and friends. I will miss you Leo!
