

Lisa Powell

October 7, 1967 - February 15, 2026

Lisa Powell, 58, of Benicia, passed away peacefully, surrounded by family and friends, on February 15, 2026. Born on October 7, 1967, in Oakland, California, Lisa was a beautiful soul whose kindness, warmth, and gentle spirit will always be remembered and cherished by those who knew her.

Lisa was a devoted daughter, mother, wife, sister, aunt, cousin, and friend. She had a generous heart and a quiet strength that touched countless lives. Being a mother was her greatest joy, and she was truly an amazing and dedicated mom to Toby and her sweet dog Max. She enjoyed life's simple pleasures, watching game shows and sports, she was truly a bay girl at heart cheering on the Oakland A's, Oakland Raiders and Warriors. She also had countless talents such as embroidery, creating beautiful pieces that reflected her patience and creativity. Christmas was her favorite time of year — she loved everything about the season and was especially known for making the very best Christmas cookies, and adding to her Christmas village every year, a tradition her family will forever treasure. Lisa's love for people was unwavering, and she brought light, laughter and comfort to everyone around her.

She was a faithful and active member of St. Paul's, where her kindness and warmth were felt throughout the parish community.

She is survived by her loving parents, Roque and Frances Gutierrez; her beloved son, Toby Williams; her devoted husband, Justin Powell; and her siblings, Ami Gutierrez; Carmen Gutierrez; Anthony Gutierrez; Michael Gutierrez and his wife Susie; and Xavier Gutierrez and his wife Sara.

Lisa also leaves behind her treasured nieces and nephews: Isabel and Alicia Candido; Blu and Dominic Gutierrez; June Gutierrez and his wife Aubrey, and Remy and Dallas Wiltz, along with many extended family members and dear friends who will forever carry her memory in their hearts.

Lisa will be deeply missed, forever loved, and never forgotten.

“ I was fortunate enough to work with Lisa at Walnut Creek Kaiser Vaccine Studies. She was my research assistant for the first several years. I got to watch Toby growing as a young boy and to meet her sister Carmen there.

Later on I met Roque and Fran while on a trip to France and enjoy a wonderful French meal.

Lisa was a joy to work with. She could calm you when you were feeling stressed with her humor, smile and her ever ready helping hands. While I missed her after her promotion to Vaccine Studies headquarters, I was thrilled to see her grow into that job and to return to school for her degree.

Lisa, you are loved and will truly be missed and treasured in our hearts.

We will someday have a joyful reunion in our heavenly home.
