“ *Lois has been my mother-in-law for 20 years. The night I got the call I thought she would be okay but by the next night I knew she wouldn't be.*

Lois and Richard welcomed me and my son Tyler who was 7 when I married their son Jeff with open arms Lois was at the births of both my daughters, Lauren and Emily.

I have a lot of memories of Lois. There were ups and downs and laughter and tears in those years, but a few of the memories I have of Lois are when Lauren was a toddler, she would get dramatic as toddlers do, and Lois would call her "Sarah Bernhardt" after the old French stage actress from the 1800s. We would just laugh because Lauren was so little she didn't know or understand the reference.

Lois had a lot of sayings and one of them always stuck with me. When it was really hot outside, she would say "I feel like the last rose of summer." I think of that every time the temperature goes above 85.

I will miss you Lois, and I will never be able to look at a rose without thinking of you.

“ *Lois Anne and I met in Sister Genevieve's second grade classroom in 1952 and I have adored her for the ensuing 65 years. How ironically fitting that after I moved back home from Washington D.C. we should reconnect at Sister Genevieve's burial and pick up right where we left off. An unsung hero and a saint living among us without a doubt. If only we could have been able to keep our lunch date the week she left us. We had so much to talk about last week and I was waiting, as always, to hear that laugh. I will miss her humor, her wit, and especially her infectious laugh for the rest of my life. The world is poorer without her presence. So am I.*

“ *Richard -*

Thank you for embracing our son so easily, warmly, lovingly, consistently.

We regret not having more time to enjoy Lois's gracious spirit and engaging humor. And yet, ...we are tremendously grateful we had the chance to experience her gracious spirit and engaging humor.

Our prayers will stay with you as your family adjusts to this loss.

“ You left us too soon. I will miss you more than you will ever know. I will cherish the memories we made growing up in Benicia, attending St. Catherine's Academy and St. Vincent's High School. I'll miss our visits on Sunday mornings when you brought me communion. I think God decided he needed you more.
Love you.

“ *Rich and family I am so sorry to hear of Lois passing. She was a beautiful person. I always loved talking with her when we would run into each other in downtown Benicia. She will be missed. I wish all your great memories of her bring you peace and comfort at this difficult time. Take care.*

“ *All too soon we need to say farewell. It brings back memories of the little girl across the alley from all us kids! Over the years our lives intertwine in so many ways and she was a wonderful parishioner at St. Dominic's and a close friend. I'm sorry she did not have many more years because she was so giving. I send my love and sympathy to Rich and all the family, and to her many friends. I hope your memories of her cannot be measured.*
