

Lora A. Bertellotti

June 22, 1961 - June 25, 2018

Lora A. Bertellotti passed away suddenly Monday in a local hospital due to complications of diabetes. She was born in Vallejo and spent her whole life living in Benicia.

Lora graduated from Sonoma State University and was a school teacher at St. Dominic's School for more than 23 years. She also taught sign language to the kids for their annual Christmas program. In college, she studied nursing before focusing on her teaching credential. She enjoyed shopping first and foremost, playing bocce ball, swimming, and teaching swimming and lifeguarding at the Benicia pool for many years.

She is survived by her parents Al & Rae Bertellotti; brother Mike (Laurie) Bertellotti and sisters Amy (Cory) Falkner and Lisa Anderson, her cat Hercules and all the children whose lives were touched by her at St. Dominic's School or James Lemos Pool.

Visitation will be at Passalacqua Funeral Chapel after 5:00 p.m. Sunday followed by vigil services at 7:00 p.m. A Mass of Christian Burial will be held 10:00 a.m. Monday at St. Dominic's Church. Burial will be private. Family prefers donations be made to the Benicia Library.

“ *Lora, you will truly be missed. I enjoyed always catching up with you while running my errands at Safeway. No matter what was going on you always had a smile on your face, I loved on conversations. You will truly be missed by many. My deepest condolences to family ❤️*

“ *Some 23 years ago you and your sweet family were brought into my life. You were the 4th grade teacher and I became your aide. We became fast friends and our adventures began. We shared many family birthdays and celebrations together. Who could ever forget your love for Halloween and your "Maleficent" witch costume? And, our many trips to the mall for retail therapy? I will never forget our trips to Disneyland, Shasta, and Vegas.*

Lora, you were a dear and loyal friend, and you will be forever engrained in my heart ❤️

To the Bertellotti family: May your memories of Lora's generous heart and loving spirit before her illness took hold, bring you peace at this difficult time. ❤️

“ *All too soon. So young. Diabetes has a way of stealing the very life from our loved ones. To Al and Rae and the family - I hope treasured memories over the years fill you with love and comfort. I shall remember all those days and years at St. Dominic's, the friendships shared, and the laughter recalled. To her many pals and friends my heartfelt sympathy.*

To the family of Laura and especially Al and Rae Bertollati who themselves have been through so much! My pain is felt alongside all of you! I knew Laura only from the past few years of bocce ball and from an occasional walk with our dogs. She was a sweet young woman and I already feel the void in my heart that I know you all are experiencing a thousand times as much. God bless you all and continue to remember her in all that you do!!!!
