“ *Although lorraine was a cousin she really was more of an Aunt to me. Loved staying over at her house when I was a kid. One of the most kind loving souls I have ever met. Heaven as truly gained an Angel.*

“ *My grandma was the soul of our family, she was the sweetest person, she always smiled and never complained. She loved to joke around and make people laugh, she loved to sing and had the most beautiful voice. I love you grandma. I will miss you.*
