“ I send my heartfelt sympathy and prayers to the family and friends of Lorraine. She was a loving mother and active in our community of Benicia, always willing to step up and be part of the solution to many things. May she loom large in your memories of her always.

I so admired Lorraine. She was a docent at the museum for many years. She was always on time and never left early. I'll never forget her telling me about her family taking her to either the French Laundry or the General's Daughter. I loved looking at her garden and all the work I know she had to do. Will miss her.
