

## Louis J. Bacher

June 9, 1949 - November 22, 2022

On November 22, 2022, Louis J Bacher passed away in his home in Benicia, CA.

Born in Oakland, CA on June 9, 1949, to the late Emma (Chatak) and Louis J. Bacher, Sr. Lou was the oldest of three siblings, including sisters Ellen and Laura (McCutcheon). Growing up with his father, who was a Lt Colonel in the Marine Corps, Louis spent much of his childhood living throughout the United States, which grew his passion for travel.

Settling in California for college, Lou graduated from San Jose State with a BS in Meteorology, while being a key player of the college's Rugby Team. Following his college graduation, Lou pursued a successful career in stockbroking until eventually transitioning to sales for General Plumbing Supply.

Aside from his outgoing and humorous personality, Lou enjoyed golfing, fishing, and playing his guitar to Classic Rock bands, with the Eagles and Allman Brothers being some of his favorites. His greatest love came when he met his wife Carol in 1981, and the two were married for nearly 40 years up until his passing. Lou and Carol had three children, Ashley, Erik and Allison, where Lou coached various sports teams, and passed many of his hobbies on to his children. Lou also had two grandchildren, Carson and Bryson Bacher, who gave him the title of grandfather, which he loved so much.

Louis leaves behind his immediate family, his two daughters in law Michelle Bacher and Rebekah Dietz, his mother-in-law Jeanette Aldi, his brother-in-law Robert Aldi and his wife Lillian as well as nieces, nephews and many close friends throughout his profession and community.

Lou will be dearly missed by all of those who knew and loved him. In lieu of flowers, donations can be made to the Humane Society in Lou's honor as he was an avid animal lover, especially to his dachshund mix, Minx. A memorial service will be held to honor Louis at a later date.
