

## Louise Lambro

September 3, 1937 - April 2, 2018

Louise Lambro passed away Monday at her home, surrounded by her family, in Benicia following a long illness. She was born and had been a lifelong resident of Benicia. Louise had a passion for teaching and taught at Mills Elementary and Robert Semple for the Benicia Unified School District for more than 36 years before retiring in 1999. She especially enjoyed teaching children to read who needed extra help and she loved children's books. She volunteered, after she retired, in the classroom at St. Dominic's and Robert Semple.

Louise enjoyed traveling, quilting, hiking and meeting with her local tea group. She was a member of the Altar Society at St. Dominic's Church.

She is survived by her daughters Rhonda (David) Catherina, Leslie O'Connor and Lori (Bill) Carter; sister Helen Porter; grandchildren Danielle Spurlin, Kelly Wigton, Erin O'Connor and Andrew Jones and her great grandchildren Cwynn, Adela, Allison & Lillian. Louise was preceded in death by her husband George just last September.

Memorial services for both Louise and George will be held 11:00 a.m. Saturday, April 28th at Passalacqua Funeral Chapel, 901 West Second Street, Benicia. Burial will be private at St. Dominic's Cemetery. Family prefers donations to be sent to the Dominican Sister's of San Rafael (1520 Grand Ave

San Rafael, CA 94901-2236) or SPSV High School. A special thanks to Preet and Ricky from Vitas Hospice who provided excellent care.

“ Our condolences to Mrs. Lambro's family. She was the kindergarten teacher to both of our daughters, now 32 & 27. We will always remember her as one of the BEST teachers and was a very kind and loving person. Thank you for leaving a positive footprint in their early years. God bless,

“ Mrs. Lambro was my first and favorite teacher when I moved to Benicia in 1972, I was 7 starting 2nd grade at Robert Semple. She was very creative she taught Reading, Art and Poetry perfect for 7 year olds with big imaginations. I have the poem I wrote in her class, she put up a dozen words on the chalkboard and said make a poem using only these words. Quickly I came up with this, and I think it pertains to her all these years later, “when the wind blows the grass grows and nobody knows but me”. She wrote my poem on a big sheet of paper and hung it up in the class room. She was proud of me. That was a good feeling! She made me feel significant and loved, two of my basic human needs early in life. She and my mother went to grade and High School together. She was stern but kind, she didn't discipline she guided. When I think of Mrs. Lambro I will think of her fondly! Much love and prayers to the family, I hope you find comfort in that she was loved by many! God Bless and Love
