“ *My fondest memory of Maria and her family is when my sister and her boyfriend Benito Paramo introduced as just friends. That was way back in middle School. We reconnected at Robert Semple with her daughter as I was working there. Life is way to short for a wonderful person like herself to move on. I will miss her post on Facebook of her sharing her family for all to share. RIP Maria*

*I'll miss that smile every time she seen me at Robert Semple picking up her kids from school.*
