“ *To the Mitchell Family: I am sad to hear of your loss of your Wife & Mother. Ken, you may not remember me but I was the baby-sitter (Gayle Barton) for you & Marilyn when the kids were really young! I was always happy to babysit because that meant I would get paid & then I could buy something! Marilyn was a very nice person to me when I was just a young teen myself @ that time! The time was back when we all lived in the Bay View Circle area, by the cemetery.*

“ Marilyn was for many years the heart of the Benicia Unified School District. Her long history with Benicia schools provided the institutional memory, a rich reservoir of knowledge, that helped the trustees and management team chart the future of our school district. I will always remember her warmth, her kindness, her sense of humor and her valuable advice. She was truly a great lady and a friend who will be missed. I was most fortunate to have known her. My heart goes out to her family for such a loss.

“ *Dear Kenneth and family,*

Marilyn has been a very special part of our life for way over half a century. She was smart, articulate, and had a talent for analyzing people and situations to put them in perspective. Marilyn putting us on her prayer chain has helped us through some difficult medical situations in the last few years and we are grateful for her TLC.

Our prayers are that Marilyn rest in peace after much suffering. We want Kenneth and family to know how much we care about all of you and that we share your loss. Her passing will leave a void in our life and a void in the lives of all who knew her.
