

Marion Power

December 10, 1929 - May 13, 2020

It is with deep sadness that the family of Marion Power announces her death on Wednesday, May 13, 2020. Marion was at peace, surrounded by her loving family at her time of passing.

Marion was born December 10, 1929 in Ogden Utah to Thomas Forester and Violet Jean Bune Power. She graduated from Ogden High School in 1947 and attended Ogden's Weber State University. Marion left Ogden in 1950 for California, living in San Francisco and Oakland before purchasing what would become the long-standing family home in 1959. This home in Concord, CA would see her proudly raise her four sons, care for her grandchildren, great grandchildren, friends and neighbors with her signature outpouring of kindness to all. She resided in the family home until her recent health issues.

Marion's career was with the Mount Diablo Unified School District, serving as their District Librarian for over 30 years. After retirement in 1992 she continued care and work in support of others, doing volunteer work for The City of Concord, The Concord Police Department and several non-profit agencies for over 10 years.

While Marion's number one focus was her passion and support for family, she was very creative and curious about all things joyful. She was an excellent seamstress, crafter, needlework and stitchery artist. She loved to travel, read

and pursue any event that would include as many family members being together in a single location as possible. She loved telling stories of her life experiences and was proud of her strength and many accomplishments in her life. She often shared fond stories of her childhood, parents, sisters and brother growing up in Utah and her dream to one day return home.

Marion Power is survived by her sister, Violet Nicholson, Ogden, Utah, her sons, Ken Mort (Pat Simmons), St. Louis, MO, Jeff (Vivian) Mort, Concord, CA, Don (Jeanette) Mort, Napa, CA, Doug (Lynn Mackey) Mort, Martinez, CA., her Grandchildren Emily Mort, Elise (Adrian) Veliz, Melinda Mort, Kristi Erwin, Justin Erwin, Nick Erwin, and Emily Ferne, her great grandchildren Anastasia, Alexander, Savannah, Baron, Jared, River, Noelle, and many loving nieces and nephews in California and Utah. She is preceded in death by her Mother and Father, her Sister Jean (Bill) Knudson, and her brother Thomas William (Betty) Power.

A strong, independent, committed, caring and loving woman, The Matriarch of our Family, Marion Power will be missed though her love for her family always remembered and live on in our stories.

“ *I worked with Marion when I was a senior in high school and she was facilitating the professional library which was a resource for educators. She was a wonderful lady; funny, kind and so smart! She believed in me and I could see it in how she talked and looked at me. I was enough just as I was. She gave me the precious gift of acceptance. She made a difference for me and I'm forever grateful for our friendship.*

“ We fondly remember Marion and her beautiful smile and her laughter. We had the opportunity get to know her while in Key West and to stay in her home in Concord with Ken and Pat and to see the things that made her home so special. We marvel at how she managed to raise four boys and how proud she was of all of them. Marion bestowed on me her lovely Madame Alexander doll, "Scarlett", as she knew that Scarlett would have a loving home with other doll friends. We will always be grateful for the times we had together. Blessings to all her family and friends. With love and sympathy, Lynne & David
