“ Missy, you were funny and fun...you were crazy, in a fun kind of way and I will ALWAYS remember the way you would light up a room when you walked in. You're free now, free to dance, free to sing, you are whole again and you are perfect! Please {{{HUG}}} your God Mother for me...I'll see you both again but until then...Fly High, Missy, Be Free!

“ As I sit in the parking lot waiting to pick up my boys I find myself thinking about you Mom. It seems like not long ago you were picking us up from Mills Elementary and taking us to Foster Freeze or Morgan's Grill for ice cream. The stupid dresses you would always make Biz and I wear on Christmas Eve and to Holy Ghost. The Taco Bell incident still makes me laugh this day. I think Nate maybe the only one other than is two who could have laughed about it. I could go on and on. I just wanted to be the first to leave a message for you. We miss you. We love you and we know you are in a way better place now. Give Nana and Papa my love and visit our kids in their dreams! We love to the moon and back!

Love
