“ *Dear Heather, Michael, and Valerie,
Your mom would have loved all the friends and family that gathered together for her memorial. The minister created such a warm feeling . One by one, people shared happy and fun moments about Marsha. Michael and Heather, thank you for your memories of mom. We loved the wonderful video. Your mom's special smile lit up the room. I think she would have been thrilled with the gathering back at her house. She would have approved of the feast, the friendships that were renewed and our exclamations about her trees and flowers. Mom is gone but may the many memories that you share bring you comfort. I just think of her curled up with a good book and the cat. She is thinking of her next exciting trip and the zip lines that wait for her laughter.
Fondly, Carol and the Semple Family💕*

“ *I met Marsha in 1952 when we became her neighbors on G Street in Eureka, CA. My sister Shirley and I were at her home a lot. She and her sister Karen had a lot in common with us as we enjoyed our pets and building forts in our vacant lot. Marsha and Karen had a Cocker Spaniel named Bitsy, and a raccoon named Trouble, and we got into a lot of trouble. We lost contact for many years and the last few years I have enjoyed sharing memories with Marsha. I will miss her letters. My condolences to her family. Florence (Flo) Mudie Yearsley, Manti, Utah.*

Marsha was a member of the Benicia Emergency Response Team and the Benicia Amateur Radio Club and it was a pleasure to have participate in our organizations. She worked hard to get her Ham license, KI6TIW, and love using it. We'll miss you Marsha.
