“ I spent many hours over the years under Aurelia's skillful hands, both in St. Helena and Yountville. She took great care with her clients, and did her best to make them look and feel marvelous! She was a beautiful, lovely and loving woman, and she will be greatly missed.

Not many have a heart as big and welcoming as Aurelia's. Her love of family and friends and her sweet selfless bond with her grandson would make you want to be as good and generous as she was. She lit up a room when she entered it and that light was put out way too soon. You will be missed, beautiful friend. My heartfelt condolences to her family. Desiree' Dillon
