“ *How do you measure your Love for your friends, Sometimes, there is no yardstick, Sharing the trials that put us through our paces in life ,, look around and see who's beside you, We have measured these depths, You, Joe, Bodie (Mellisa) , and I ,, a patchwork like no other , Through heartbreaks, and laughter, and here ever after..the Music and lifting each other, Your people are Our people and together we'll keep walking forward, Every Peace to you my Friend , I Hope the table is full, the company, familiar,,and the GreatBand in the Sky, has no cover charge, I Don't know exactly how to end this ,, I Love you Forever in Friendship, More like a Brother, Your Absolutely Like No other I'll think of you with Every Rif 🎵 of the Blues,, and every time I tilt one or light one for Ya ❤️*
