“ *If there were only one memory...*

*I'll mash about a million together. What it all comes down to is that smile. Smiling at the girls, all of us... Smiling with joy because you were having fun with us, smiling to cover the exasperation of us goofy teens, smiling with pride when you saw that we were overcoming obstacles.*

*The legacy you are leaving is love. Pure love. I'll honor you by going above and beyond to serve those around me. You will be missed.*
