“ *This wonderful woman was my Aunt Mary and I am so blessed to have called her that. She was amazing and even at 96 she was out and about. She is in so many hearts none of us will ever know but she is deep down in mine and I love her now and beyond. You showed us all how to do it and we will try to live up to what you showed us. Thank you for your love and your insights. Aunt Mary can now discuss those books with Mom. Dad and Uncle Everett will be watching and smirking about your comments. Love you all. All of you rest in eternal peace.*
