“ *Over the years I worked with St. Dominic Cemetery, I came to know Mike through his parents, Al and Colleen, and his enduring love for all things family. He cared for their plots in the cemetery and those of his extended family of aunts, uncles and cousins and was a generous supporter of St. Dominic's. I know a beautiful reunion is going on and I wish to convey my sympathy to all those who loved Mike. He was taken from you all too soon. You have my prayers.*
