NO

“ In 1979 at the age of two, Michael knows how to pray, he knows how to call on God the Father. He would say "Abba" loudly in the early hours of the morning while my mom was praying the rosary. From the mouth of children and babes "Abba , Father " is joyful praise to the Lord . And Michael gave us joy from God . I thank God for giving us Michael to be part of the fabric of our life. Wow! is not enough to described the joy that you brought us and now you have the fullest joy with "Abba, God the Father." I'll always remember you as I call on St Michael, the Archangel. Thank you Jesus for the gift of life. Abba,Father, Thank you.
