“ *I can't believe your gone. Mikey you were always my protector, my big cousin. You were always there when I needed you and maybe even sometimes when I didn't lol I could always come to you to talk or just hang out with me. You and Christy took me in as ur little cousin ever since I was born (I had no problem telling the world I was Mikey and Christy's little cousin. I was just proud to be part of your family.)I will forever be grateful for having you in my life as well as my kids lives. They always thought uncle Mikey was the coolest and I know you wouldn't have had it any other way. I love you Mikey!*

Gone But Never Forgotten.

We love you always Crystal, JJ and Adrian

“ *Mike I remember when I first met you in 3rd grade and have always considered you a friend. You have always been an amazing person and as adults you helped me many times at my homes and mother's home with electrical issues and anything else that I needed, you were always there. You took me to an amazing sushi dinner here in Benicia and I will never forget it! You were always so generous to me. I asked you a few times if I could go fishing with you and you always said yes. I appreciate you very much. Thank you for everything brother.*
