“ *Ma, We have so many fond memories of you that we will miss. We shared the same birthday January 5th , and had cake together every year. I carry your name and would see the glow in your face when people would say we had the same face. There was not one occasion or holiday we ever left you behind, we always had you by our side. You have left us now, but this is only till we meet again. May you rest , and enjoy your reunion with my and your beloved Eddie. We will carry on and celebrate your life throughout our time here left on earth. Till the hour of our death, Amen. Your loving daughter Norma and much love from the family, Louie ,grandkids Justine, Denis, Lou , Kevin , James & Matthew .*
