“ *Del and family..we're sorry for your loss. Pat was very special to our family, especially Siera, who had become very close to her these past ten years or so, especially over her teenage years. Siera helped Pat when she needed her to go to a softball game while Del kept score for the Outlaws, at the house or whenever. Over time they just became very good friends and Siera would visit her often, or talk on the phone every week, sometimes more, even do her hair every week while recovering from her surgeries and injuries at the convalescent home. We just loved spending time with her. Pat had the best memory of anyone we knew and told us all alot of wonderful stories, the beautiful and loving marriage to Del, who is also very special to us, her days at Mills, her sister, family, children, grandchildren and of course her beloved West Virginia. Thank you for sharing her with us, she was like a grandmother to Siera and her sisters. I truly appreciated her emmense amount of patience, love, ease in forgiveness and understanding of others, and kindness. She tought us to do the same. She helped to form Siera during her adolescents-teens and helped to guide her. Siera was there to help Pat, but it truly went both ways. We will miss her dearly, there just isn't anyone quite like Pat and the void of her passing will be felt for a very long time in our hearts.*

*Bless you all through this difficult time, and
God bless Pat in her passing.*

*Love to you Del and your lovely family,
Summer, Siera, Jennifer and Madeline Giron

“ *So sorry to hear about your mom. She was a dear friend to me while I worked at Mills & the Middle school doing school lunch tickets. She always had a stack of books for me to read and I enjoyed working with her in Mills School library as a volunteer. I have thought of her often since we left CA. Must have been about 5 years ago that I heard from her. Will miss her. Sharon Burkhardt* ”
