“ Moreira family and my family have been associated together since the 1940's, I knew Pat when her & Zeck were dating. There are just not enough words,time or space to express my admiration, caring and respect for Pat so I will say to the Moreira family may God give you all peace and extra strength to get thru these sad difficult days with her loss and in the days ahead as you adjust your lives to life on earth without her presence remembering her love for all of you and to live with love & harmony as family as her & Zeck taught you. She will always be in the hearts and memories of all who knew her especially her families. My prayers, sympathy and love to all of you. Rest In Peace beautiful lady Pat Moreira
