Patsy Lee Honeycutt September 12, 1941 - July 22, 2021

Patsy Honeycutt passed away peacefully at her home on July 22, 2021 after a brief illness. She is survived by her children: Lisa Honeycutt (with spouse Tim Goncharoff) and Erik Honeycutt (with spouse Margaret); and grandchildren Aislinn Watson and Conner Watson (with spouse Brittany). Her love, strength, and personality will be greatly missed.

Patsy (Mitchell) was a native Californian with ties to Solano County from an early age. She graduated from Vallejo Senior High School in 1959, married L.D. Honeycutt in 1960, and started her family in 1961. A devoted mother from the very beginning, Patsy held us all together while she worked her entire life, retiring as a legal secretary only three years ago from Solano County Child Support Services. Her legendary aptitude at organization kept the home running smoothly while she made sure everyone was healthy, happy, and safe. When she would take any time for herself, she was an avid antique collector, and used her skills at interior design to create a showcase home. Not only was the home's interior beautiful, but the exterior as well, with succulents, flowers, and plants she cared for herself. She hosted many holidays and events and was the leader of the extended family, particularly including friends who needed a new family in which to belong.

Family is important and vacations are, too; Patsy loved to share her fun trips to the Russian River, Virginia City, and Disneyland. Besides introducing her children and grandchildren to all the storybook characters, Patsy shared the good times with her brother and sister-in-law, Bill and Jeanette Mitchell, her sister Sharon Harris, and her nieces and nephew, Mitzi Inglis, Sabrina Harris-Brennan, and Billy Mitchell.

We'll all be thinking about you by the Snow White wishing well, our beloved Putti.
