

Paul M. Ransdell

March 24, 1943 - October 15, 2023

Paul M. Ransdell passed away Sunday at his home in Benicia. He was born in Vallejo and has called Benicia his home for the past 26 years. He worked as an electroplater for more than 30 years and later worked at United Airlines as a mechanic until retired.

When Paul was younger he enjoyed riding motorcycles, running, biking, boating, fishing, camping, water skiing and gardening. He was a meticulous handy-man that could fix anything. He was also a huge Pittsburgh Steelers fan.

Paul loved and doted on his cat, Missy, who made her way into his heart despite the fact that he did not like cats. She brought a lot of joy to him while she was alive - she only answered to him and he would give her wheelchair rides.

Paul is survived by his wife Peggy; children Paul Ransdell, Darcy (Patrick) Thomas and Allison (Andrew) Straus; sister Patti (Fred) Spaeth and his grandchildren Shawn, Chilo & Eric Lee, Drew Dunham, Isabella Clemons, Marissa & Shawna Williams and Paige & Brian Straus.

“ I looked up to and admired my big brother. He named me and bought me candy at the Little Store, (maybe as a bribe!) He took care of me after our mom died. That year for Christmas, He and my dad got me a big doll that stood, and a stuffed dog with a leash she was holding on to. I have had many memories and happy times when I, (we) traveled to California. I am blessed to have been with him last month and talk to him the week before his passing, my most cherished memory!

“ Christmas from year 2000 until 2010 was always early wake up and late family visits. From so many family events happening in one day, seeing everyone was a feat amongst itself. However, those holidays, each one unique in its own way would have never been the same without a stop at grandpa Paul's and grandma Peggy's. The mixing of stories told around the Christmas tree over football games, Christmas presents and plenty of grandma Peggy's baked cookies was enough to last a whole year. But even still we managed to fit it all into a couple of hours of well spent time together. Christmas will be a little different without you this year "GRAMPS" but i feel so assured knowing your there with us nonetheless. Until we meet again I'll save apart of every Christmas just for you.
