“Peggy was a long time family friend. I've known her and her family my entire life, and Peg even was my babysitter. Growing up around Peggy and the Comptons has been a life of love and happiness to me. She will definitely be missed. To Maxine, Lisa, Randy, and the rest of my Compton family, my deepest condolences. I love you all. Peggy, rest in peace, and I'll see you on the other side sister. You'll never be forgotten.

“To the Compton Family.... I don't have the words that could ever express my deepest sympathies. .. Peggy was such a fixture in my pre teen years and she always made me feel safe at a time when I did not feel safe or secure. I always knew that no matter what..Peggy had my back and that I "belonged" somewhere. When My Mother passed away, I saw Peggy again after years of separation and she made me feel like I had just seen her the day before instead of years. She had a GIGANTIC love for her family and her friends. She will be so missed. I love you, Peggy.

“ Once in a while someone comes into your life and leaves an indelible footprint. Someone whose presence just makes things better. Someone who does so much for so many and asks for nothing in return. That's Big Red! She was always one of my most cherished friends...I was never afraid to tell her that; to tell her that I loved her. The shock of this loss, this trauma we are all experiencing is so acute now and we know that after time the wonderful memories we have of our Big Red will seep deeper into our souls until we feel a re-connection...somehow her presence will always be here with us. My deepest sympathies to "Mom Maxine", Lisa, Tim, Jimmy, David, Tarynn, Tony, Antonio, Vance, all Peggy's nieces and nephews and everyone else who is suffering through this loss. You are all in my thoughts and I am praying for you daily. I love you all so very much and want you to know I'm always here for you.

Love, Missy
