“ *This is so sad Quartney was one of the sweetest most kind hearted people I knew from our graduating class. She was always so nice to me, she never passed judgment on anyone. She opened her friendship to all that came her way and she will forever be remembered. In our hearts and out memories she will stay. Rest well and sleep easy old friend. Prayers, love and respects from my family to hers. -Eduvina Tovar*

“ *This is very sad news... Courtney and I were childhood friends... We use to walk home from Mary Farmar as kids and I would hang out often at her house just being an annoying kid... She was such a sweet girl and she will always be remembered that way to me... Sending my love and condolences to her family!!*

“ *Quartney you were 1 in a million. We met in 2013 when evan and chloe started SDS. You always made yourself available to help where ever you needed to be. In 2015 I became a grammie to Sammie Joyce and David Dare came into our home. Quartney was over mostly every day rocking 1 of my babies to sleep as we talked and laughed. Working with you at SDS hot lunch as Batman, Robin, and the Sheriff was so much fun. Then our paths did not cross much anymore but when we did see each other you always had that HEY BATMAN, How ya doing? I was so happy to meet K.K. Your sweet baby girl. I loved having you her and Evan come over once in awhile after school. Your children will definitely miss you but just know there are so many people out there that love them as if they were their own. They will be ok. Rest Now My Friend in Peace with your dad and Amber until we meet again. Love ya Robin*

Quartney and my daughter Katie were close friends growing up. When  
my son was born they were thrilled to have a real baby to play with. I  
still have pictures of the three of them having a photo session. My  
sympathies to the family for this tragic loss.
