“ I'm gonna miss my cousin Robert . He has been a great friend and "Uncle Cousin" throughout my whole life. I'll remember him always for being funny and loving and always having a corny joke tell. He loved going to County fairs all over California but I think his favorite was Yolo County. Everytime I would meet him there he'd remind me that it was the last free fair in California, lol .No entrance fee !! He enjoyed going. We would have the best of times and so would the kids ! He was a big kid himself. We would meet up in Dixon for lunch every month at Mary's pizza shack...we had good times year after year. He also loved a good Portuguese Festa , a few times we would meet in Chico and stay overnight and the next day go to Orland for Soupus. He loved a good road trip !! Really I have a million good memories of my time with this wonderful human being.. I'm so thankful and grateful for all the good times shared with him and his parents (great aunt and uncle) Auntie Toni and Uncle Jerry. Sometimes he was like a brother to me. Sometimes he could be that spoiled brat best friend that you can't live with or without! Either way I loved him every day. Rest in Paradise Cousin and save me a seat by you at the buffet ;)
