

Robert A. Morgan Jr.

June 11, 1952 - February 8, 2025

Robert A. Morgan passed away peacefully at his home in Benicia, CA on Saturday morning. He was born in Garfield Heights, Ohio and was raised in the Midwest. Bob graduated from Saint Mary's College in Winona, Minnesota—with a Bachelor of Arts degree in Business Administration, Management, and Marketing—where he also met the love of his life, Donna. They moved to Benicia in 1985 where they continued to grow and raise their beloved family.

Bob worked at George Martin Company for over 35 years. He started in a sales role and, with undeniable leadership qualities and dedication, moved up to become the President of the company for many years. He was relentlessly hard working and passionate about making the company successful. He retired in 2019, finally able to enjoy the fruits of his labor.

Bob was proud of building a successful business and enjoyed staying busy washing his cars, taking care of the yard, and checking items off his never-ending “honey-do-list” around the house, which Donna happily replenished. But his true love was for his family, and everything centered around that. Bob cherished spending as much time as he could with his family and loved spending time in his second home in Truckee, CA, creating lasting memories with his family going to the lake, summer concerts, and trips in the snow. He looked forward to the annual Morgan family vacation in Palm Desert in the

springtime, surrounded by his wife, kids, and grandchildren. He was a notable history buff—with a special love for World War II—who enjoyed reading any kind of history book he could get his hands on. If you had a question, Bob probably had the answer.

Bob will be remembered as someone who was selfless and always focused on making everyone around him happy and cared for.

He is survived by Donna, his wife of almost 50 years; son Robert “Bobby” (Jessica) Morgan III; daughters Samantha (Andy) Freeman and Brittany (Justin) Pebet; sisters Sharon (Jerry) Weiland and Deborah Solan; brother Craig (Darlene) Morgan; and his grandchildren Malia, Maddie, Macie, Dillon, Sienna, Sloane, and Sutton.

Catholic Prayer Service will be held Monday, March 3rd at St. Dominic’s Church. Burial will be private at St. Dominic’s Cemetery. Arrangements are under the direction of Passalacqua Funeral Chapel, Benicia. Please visit the online tribute at www.passalacquafuneralchapel.com.

“ It was a very lucky day when Bob Morgan hired my company. So it is from a wealth of experience with the man and, as much of a cliché as it may sound, Bob truly was one of a kind. He led with intelligence, drive and above all integrity. Those of us who were fortunate to do business with him knew that he always said what he meant and did so with an honest concern for creating win-win situations. He is missed and will be long remembered.

“ *Uncle Bob was an amazing person. He always found a way to make us smile and made family gatherings special. He created childhood memories for us that will last a life time. Disneyland, trips to the beach and of course always trip to get ice cream. At our wedding in June, he furthered that tradition of ice cream and laughter to the next generation of our family. Naturally, the kids all loved you as much as we do. You will be missed and I'll forever be grateful that I got to have you as my Uncle. I love you. Vanessa*

“ *This beautiful person has left a void which cannot be filled. As his sister, and eight years his elder, I knew from the beginning that this was a special soul - always kind, gentle, strong in spirit and maintaining a fabulous sense of humor. He helped raise a fabulous family that will be certain his special qualities continue to live and prosper. Forever love to all of you... Sherry*

So hard to believe someone who should have had so much life to live and memories to make had left us - way too soon. Rest in peace, Bob. You left your mark on the world, and you will be so missed by family and friends.
