“ *Dear Rice family,*

I'm sure that Ron is very proud of the life he lived and all of you. When I first met him as a Jr. Explorer at BFD back in the 80's, he quickly became a mentor and in many ways helped begin the shaping of my career as a volunteer firefighter. I loved attending many muster's with him and the other volunteers but most of all appreciated his life wisdom, his historical knowledge of our City and the fire service and our hunting trips. He was a role model to many of us and great friend. He will be missed. Rest in peace our friend.
