

Sally McDaid

May 14, 1946 - August 30, 2012

Sally Kathleen McDaid passed away Aug. 30, 2012, at the age of 66. Sally was

the daughter of George McDaid and Virginia (Tuttle) McDaid of Michigan.

Sally

went through high school in Alma, Mich., and received an AA in Lansing, Mich.

She worked for General Telephone for 30 years in Alma and then Muskegon, Mich.

She was transferred to Kentucky shortly before General Telephone became part of

Verizon. Sally retired and moved to Benicia, Calif., to be near her family in 2000.

She worked as a medical transcriptionist in California. She became the crossing

guard for Matthew Turner Elementary School in 2004. "Aunt Sally," as she was

known, was a character on "her corner." She dressed for every special school event and

every holiday. Wondering what Aunt Sally would be wearing was a reason to be excited

to go to school for many children (and parents). Sally also worked at Matthew Turner Elementary as a yard duty supervisor during lunch. She was a

champion for
every child.

Sally is survived by her sister, Susan Vandenberg; her brother, Rusty McDaid (of Las Vegas); nieces Kathy Jacobs (Josh), Denise Vandenberg and Jennifer Selman (Scott), and nephew Mark Tuttle (Siretta); and great-nieces and nephews Andrew and Nate Jacobs, Sophia and Audrey Josephson, Matthew Selman, and Marlee and Ella Tuttle.

A memorial will be held for remembering Aunt Sally on Wednesday, Oct. 3 at 4 p.m. at Passalacqua Funeral Chapel in Benicia. Inurnment will be private. Please visit the online tribute at www.passalacquafuneralchapel.com.

“ *Ant Sally, Something I kept meaning to tell you. Of course we all have things we wish we would have said earlier...When I was having my hard times in the past, you told me to look to a higher power -- it didn't need to be anything religious; it can be anything. Yours was a light bulb. I just want you to know that you helped me with that. Mine was the corner of my bedroom that I looked at while lying in bed. Thank you. I ask you, now: I'd like to have you as my "higher power." Please let me know if that is okay. I love you.*

“ Ant Sally, I love you so much. I miss you and want you back. But that is my selfish point of view. I hope you have moved on and are happy with no pain and only happy times. I hope you get to see Ginka and Papa and everyone else you'd like. Please send me a sign that you are okay. Scott, Matthew and I are blessed that we got to move back to Benicia in August 2011. We got one last good year with you. Matthew often comes up with awesome memories of you and we all laugh and reminisce. Thank you for visiting us in Carpinteria over the years. It meant a lot; more than you know. I miss you! I want to hug you.

Love,
Jennifer Dee
