“ I met Sebastian this past August, we were classmates at Solano Community College and I can truthfully say, in all of my 66 years I have never met a young man as polite, kind and willing to help as Sebastian. My first impression after interacting with him was: "who is this kid on his skateboard, someone taught him well - he must have some awesome parents because he's going to go far". If anyone, myself included had a problem and he knew the resolution he was right there - so, so helpful. Hearing of his death shocked me to my core; while I understand God may have needed this special angel earlier than most, the void left behind is a tough bridge to cross. I will continue to keep the Cineas family in my prayers and God bless you all.
