“ *I was friends and co workers with Sheila & Ann Gearhart for many years at the clinic at Mare island. The picture of Sheila and I was from one of the great barbecue parties we had with friends in Napa. RIP sweet Sheila, you are missed ❤️*

On behalf of Geoffrey Ortiz:

Dearest Marty and Mark :

*I remember in the dearest way our get together between both our families . How we all enjoyed each others company with both of you auntie Sheila Grandma and Grandpa and our family in Yosemite , my parents fiftieth wedding anniversary . One way or another we all ended up in one room the whole bunch just joking around and simply having a great time . But I have to say I really got to know Auntie Sheila when I spend my summer vacation at her home . You remember , Marty , that's when a became a happy camper and flamingos took over auntie Sheila's garden . She was a wonderful Lady , your Mom , and I really came to love and appreciate her , and all of you for that matter . From the bottom of my heart I want to give to you my very heartfelt condolences for her passing . Great big hug to both of you*

*Auntie Sheila was a caring, funny, kind person. Whenever I visited her in California she always welcomed me with a warm smile. She loved her cat even one that had a balanced problem and kept falling of the washing machine. I have very fond memories of my visits. I will miss her warm smile, humor and caring nature. God bless you. My most sincere condolences to Autie MB, mom (Kay), Mark, Martie and Joseph. May God give you the strength to overcome the huge void Auntie Sheila is leaving. Big hug to all of you.*

“ I spent happy times, and made good memories with Marta at Sheila's home in Vallejo. Sheila was always warm and welcoming. I especially remember a BBQ with Marta and her husband Mark, and my husband at the time, Scott, where we cooked Salmon. Sheila was always ready to interact, and share a story. She was an awesome lady, who has an awesome daughter! RIP Sheila. Sharon Babot (Hellquist)
