

Sonia Marie Lee

October 29, 1972 - July 30, 2025

Sonia Marie Lee 52 of Benicia passed away July 30, at Kaiser hospital Vallejo following a short illness. She was born in California and a lifelong resident of Benicia. Sonia leaves behind a vast array of friends, all of whom she greatly cherished. Most of her friendships span decades. She participated in PAL baseball and was a cheerleader at Benicia High School where she graduated with the class of 1990. She was a big fan of Minnie and Mickey. She enjoyed crocheting and writing excelling at both. She had a very artistic/creative side to her. She was very sentimental, often sharing that sentiment in her poems and writings...and she wrote often. Her favorite thing in life was being a mom. She would somehow always see to it that her children had everything they needed, including endless hours of love, with backrubs. She is survived by her daughters Kylie Lee Wright and Allysa Lee Talamantes and her son Anthony Wright. Sonia was preceded in death by her beloved parents Donald and Almira Lee, also

longtime Benicia residents. Sonia will always be remembered for her caring and selflessness.

“ I just learned of your passing and I cried my eyes out for you sweet Sonia. I remember how much you were in Love with my cousin, even as a young lady you knew you would love him always and truly, one day. I remember sweet Kylie in a car seat at my uncles and how beautiful and proud of you Kylie. You weee so wanted and loved before you were ever conceived. I didn't know Allysa but I know she was just as treasured. I hope you're resting in the sweetest of places.
