“ *Deeply..Deeply saddened for this young man and his family. It's always very hard to lose anyone, but it is extremely difficult to digest why lives are cut short at such a young age. I can only ask God to give this family the courage and strength to heal as a go forward. Semper Fi! LCPL MUYCO! My son was in MRP (Medical Rehab Platoon) in bootcamp with Spencer last August. I look at each one of these guys as my own!*

“ Our thoughts and prayers are with you at this difficult time. We have so many memories of Spencer with the carpooling to Jazz band in middle school, and Stuart and Spencer playing trumpet together for so many years, and the band trips we chaperoned together. One memory that stands out is Spencer dressing in all white on crazy day for band because he usually wore all black. We hope that you hear many memories to add to your store of memories and that helps to sustain you. Much Love Jon, Leslie, Lindsay and Stuart Blackie
