“ Stevie,
Oh how you will be missed! We will miss your crazy sense of humor and your wild antics!
All of the memories of when our kids were young and we would pile them into campers and head for the fun. You and Kevin would get some crazy ideas and make us all laugh. The way you loved your family. Those were the best times and I Will remember them always. You are gone way too soon. Please give my sister and parents hugs for me. I miss them too. I will see you all on the other side.....❤️

“ Mr. and Mrs. Benicia. They were so engaged with this community. So helpful. So welcoming. So inclusive. I was a stranger and they welcomed me in. They welcomed me to family events and they were beautiful friends. I miss them terribly and my heart aches. I am so thankful for their kindness and friendship.

“ To My Dear Brother-In-Law,

You will be missed very much; I really enjoyed our talks and laughing together.

We had fun snowboarding together when I was just learning and falling down.

You meant the world to your brother Dominic and he will miss you so very much.

You two could go and on and reminisce about your wonderful childhood. And the

classic lines you knew of all your favorite movie classics.

RIP brother, until we meet again. Love you.
